Rule 5 (b) Payment Details

Each team must pay a non-refundable minimum payment of £100.00 by 7 August 2026.

After the initial £100.00 payment, the remaining balance may be paid in 5 equal monthly instalments, starting on 7 October 2026 and continuing on the 7th of each following month. Payment by monthly standing order is preferred.

A team that does not make the initial payment by 7 August will not be permitted to start the season and may be removed from the League. Teams that miss later payments may have their fixtures suspended and may also be fined or removed from the League. A team that withdraws after 1 August but before the season begins must still pay the initial £100.00. A team that withdraws between the start of the season and 31 December will be charged according to the number of weeks played. A team that withdraws after 1 January must pay the full League fee.

The EMJFL will use a Traffic Light System to monitor League fee payments. Clubs will begin on green and will remain green while payments are made by the specified dates. A Club will move to amber when a payment is late and will remain amber until the matter is resolved. Clubs that repeatedly miss payments will move to red and will then have 7 days to resolve the matter before their fixtures are suspended.
